SKILLS

- Math and Logical thinking
- Creative thinking
- Programming, Debugging and Testing
- Collaboration with our team
- Statistic and Machine Learning

TOOLS

- Javascript, Node.js
- Java, Springboot
- Python, Tensorflow, OpenCV
- C#, ASP.NET (Web API)
- Postman, API Dog
- Sonarqube
- Vue.js, CSS
- MySQL, MS SQL server
- MongoDB
- Git, Docker, Nginx, Minio
- Google cloud platform
- ChatGPT

AWARD

- ChaiyoGPT season 4 google cloud-Tier 1
- Google Advanced Data analytic Certificate
- Google IT support Certificate
- Microsoft office specialist 2016

EDUCATIONAL HISTORY

B.Sc. Information Technology

King Mongkut's University of Technology Thonburi | 2020 - 2024

- Second-Class Honors; GPAX 3.3
- TETET score 3.5/7 (TOEIC score 540-575)
